

Menu 2

For the more discerning customer
Why not let our Chefs tempt you with something a little special?

When choosing your meals please know that we can provide any variation you may like when choosing sauces. If you have a meal that you would like, don't hesitate to make a suggestion to the chef. We pride ourselves on our flexibility and we know everyone's tastes are different! Meals are served with vegetables and potatoes or rice where appropriate.

*Please note! A minimum order value of \$60.00 is required for free delivery.
 All our meals are pre frozen for your convenience and are made with only the freshest ingredients.*
